STATE OF MARYLAND

OFFICE OF THE GOVERNOR
Wes Moore

Dear State employees and retirees,

Our state's annual charitable workplace giving program, the 2023 [Maryland Charity Campaign](#), will launch this year on October 2, 2023. No matter the cause you wish to support, the Maryland Charity Campaign provides more than 900 charities from which to choose. You can choose the causes and charities that matter most to you.

Last year, nearly \$2 million was raised through the Maryland Charity Campaign, and this year, we strive to raise even more. Because all donations are combined to make the most impact possible for these deserving organizations, a little truly goes a long way. Your contribution, no matter the size, is critical to helping us surpass our goal and will make a meaningful impact in supporting the charity of your choice. No matter how you donate—whether through payroll deduction, debit card, credit card, or electronic check—all donations add up to a lasting difference.

To those who so generously gave last year, we thank you for making a difference to so many, and we hope you consider joining us again this year. For those who are new to the Maryland Charity Campaign, please join us in this movement to give to those in need.

Please visit mcc.maryland.gov today and click 'Give Now' to start the giving process.

Thank you for your continued service to our state and for helping those in need.

Sincerely,

A stylized blue ink signature of Wes Moore.

SUSAN C. LEE
SECRETARY OF STATE

Dear State Employees and Retirees,

The 2023 [Maryland Charity Campaign](#) (MCC), Maryland's workplace giving program, will go live on October 2, and will run through December 11. This is the opportunity for state employees and retirees to collectively give to causes and charities that make such a difference to our community, our state, and our nation. By giving collectively, we can make a huge impact.

Last year, we collectively gave almost \$2 million, and this year, we hope to exceed that for the 900+ charities participating in the MCC. It is easy to make a difference if everyone gives just a little. By doing so, we will surpass our goal and make a lasting impact to the many deserving charities of the MCC.

Please be sure to visit the MCC website, <https://mcc.maryland.gov/>, to learn more about the 2023 Campaign. Through this website, you will have access to many resources, and you will be able to track our progress throughout the Campaign. You will also be able to donate directly through this website by clicking the 'Give Now' button to access the MCC's giving portal, where you can give by payroll deduction, debit or credit card, or electronic check. It could not be easier to support the causes you care most about.

Be sure to give as soon as the Campaign is live on October 2. By doing so, you will be automatically entered into drawings each week for prizes until you win or the Campaign ends. So maximize your chances to win by donating or pledging early. Then, spread the word to your colleagues and post it on [Facebook](#) or [Twitter](#) to inspire other state employees to give.

Your thoughtfulness and generosity will help so many, and I am very grateful for your support of the many charities served by the Maryland Charity Campaign. Your generous contribution will help **Leave No One Behind!**

Sincerely,

A handwritten signature in cursive script that reads "Susan C. Lee".

A Message from the 2023 Maryland Charity Campaign Vice Chairs

October 2023

Dear State Employees and Retirees,

It is an honor to be serving as this year's Vice Chairs of the [Maryland Charity Campaign](https://mcc.maryland.gov) (MCC). It is truly a pleasure to take this role because it awards us the opportunity to spread the word about the importance of the MCC.

The MCC is our workforce's annual giving drive. So, each year, we gather a large group of employee volunteers to help support the fundraising efforts of the 10-week program, and they do so much more! This makes it possible for all employees to easily give and support the causes that matter most to them, through the Maryland Charity Campaign. It is everyone's opportunity to support their community and to support the causes that interest each of you. Whether you are interested in stopping homelessness, human trafficking, animal abuse or hunger, or if you want to support protecting our environment and our watersheds. Whatever cause you prefer, we can provide a participating charity.

What's more, the charities you give to will have the benefit of aggregated donations that are bundled with that of your colleagues, which reduces the administrative burden on charities since they will not need to process individual payments. It also allows you to truly give whatever is comfortable for you, while still making a huge, collective impact.

By donating through the MCC, you also have the opportunity to make smaller donations through payroll deductions. By using this method, charities receive necessary ongoing support throughout the year, which helps alleviate the burden of support, without being huge burden to you.

So, please visit <https://mcc.maryland.gov> to get started helping the causes that matter most to you. Let us demonstrate that we **Leave No One Behind!** And be sure to invite your colleagues to join you in giving through the Maryland Charity Campaign.

Sincerely,

Anthony Woods
Secretary, Department of Veterans Affairs

Josh Kurtz
Secretary, Department of Natural Resources

Why Give Through the MCC

The Maryland Charity Campaign (MCC) provides an opportunity to touch the lives of those in need; to sustain local, state, national, and international health, educational, environmental, and human service organizations, to name a few types of charities; and to make a meaningful contribution to your community. And the MCC is so much more:

- The MCC provides a single, coordinated appeal, rather than hundreds of individual drives.
- The MCC is the way for State employees and retirees to participate in the effort to meet local, national, and international causes that mean the most to them.
- More than 900 charities are eligible for donations.
- Pledge now and pay in 2024. Payroll deductions make it easier to afford a more generous gift, allowing donors to make smaller contributions from each paycheck.
- Charities that receive MCC donations may devote their MCC funds to areas where they are needed most. That's a value-add for the donor *and* the charity.
- Donations are aggregated before they are disbursed to charities, significantly reducing the administrative burden on designated charities, which will not be burdened by processing thousands of potential individual donations. The Campaign uses a state-of-the-art workplace and employee giving platform designed with Maryland's employees in mind and is intuitive and user-friendly.

Ways Your Donation Makes an Impact!

More than 5,900 State employees and retirees raised \$1,992,748 for more than 900 worthy causes in the 2022 Maryland Charity Campaign (MCC). Help us raise even more in the 2023 MCC to help local, national, and international charities achieve their respective missions.

If you participated in the prior year's MCC, your online payroll giving history has already been loaded into the giving site. If you would like to support a new nonprofit this year, then you can select the “**Start a New Gift and Designations**” option. Alternatively, you can easily renew (or edit) your payroll gifts from last year by clicking “**Renew a Gift from Last Year**” to proceed.

If you choose to renew a gift, on the next screen you will have the option to keep your donation at the same dollar amount as last year or edit the amount. Once you have made your gift selections, click “**Make Changes**” to complete your transaction. **Note:** Online payroll gifts are the only donations that are renewable.

Whether you renew a gift from last year or start a brand new gift this year, you will next be asked to “**Edit your profile.**” Information you enter will be provided to the nonprofits you support through this Campaign so they can acknowledge your gift upon your request. The email address listed in your profile is also where the confirmation email will be sent upon completion of your donation. You should keep a copy of this email for tax purposes.

Select “**Continue**” when you have finished updating your contact information.

Note: If any prior year donations are not reflected in your giving history, it may be due to one of the following reasons:

- You gave by credit/debit card, electronic check, or paper check.
- You gave to a charity that is not eligible in the current Campaign year. Charities that are not listed may not have applied or may not be eligible to participate.
- You gave by paper pledge. Only online pledges are retained in the giving portal.

To obtain pledge history, please contact Donor Services Help Desk by any of the following methods:

Option 1 = Email: mcc@charities.org

Option 2 = Phone: 571-458-1072

Option 3 = Donor Services Help Desk: www.charities.org/support

Donors *WITHOUT* Giving History:

After clicking “**Pledge Now**” from the landing page, you will be asked to “**Edit your profile.**” If you opt in at the end of the giving process, information you enter will be provided to the nonprofits you support through this Campaign so they can acknowledge your gift. The email address listed in your profile is the same email address to which your confirmation email will be sent upon completion of your donation. You should keep a copy of this email for tax purposes.

Select “**Continue**” when you have finished updating your contact information.

Step 2: Select a Payment Method

You may support your favorite nonprofits online via the following payment methods:

- **Payroll Deduction**
- **Credit Card or Debit Card**
- **Electronic Check**

Click “**Add**” to choose a payment method. You will then see a screen prompting you to set up your gift payment frequency and amount based on the payment method you selected.

NOTE: To donate using multiple payment methods, please complete all donations for each payment method in separate transactions. For example, if you select “Payroll Deduction,” choose all the charities you would like to support via payroll deduction and complete the donation process. After you submit your payroll deductions donations, then go back and select a different payment method, for example “Credit Card,” then choose the charities you would like to support by

Payroll Deduction: The amount you enter is the amount you would like deducted from your paycheck **each pay period.**

1. Once you enter an amount, it will automatically use the number of pay periods to calculate your total annual gift. That information will display on the right side of your screen under the “**Your Pledge So Far**” section.
2. In the next step, you will allocate the total annual gift amount between your designated charities.

Credit Card or Debit Card:

1. The amount you enter is the ***total annual gift*** amount you would like to donate. That information will display on the right side of your screen under the “**Your Pledge So Far**” section.
2. In the next step, you will allocate that total annual gift amount between your designated charities.

Electronic Check:

1. The amount you enter is the **total annual gift** amount you would like to donate.

3. Be sure to check the box at the bottom to authorize the transaction.

Once you have finished entering your payment method preferences, click **"Continue"** to find charities to support.

You can always return to this step later in the process to adjust the total amount you would like to donate.

Step 3: Choose Your Favorite Charities to Support

To find charities to support:

Click the **"Find a Charity"** button.

1. A pop-up box will appear. Use the charity name, city, state/territory, or Employer Identification Number (EIN) search features to find a specific charity or click through the alphabetical list.
2. You can select as many charities to support as you would like. As you find charities you want to support, click **"Add"** and they will appear highlighted in blue under **"Selected Charities."**
3. Click the orange **"Add to Designations"** button. The organization(s) you selected will now display on your list of designations.
4. Next, allocate your total pledge amount between the charities you added to your list of designations. To specify how much money to donate to each, use the slider tool or enter the exact amount in the donation box next to the charity.
5. If you do not designate a charity, your donation will be considered as undesignated funds. Undesignated funds are not designated to a specific MCC charity by a donor and/or are moneys raised during special events. The Executive Order requires undesignated funds to be distributed proportionally among the participating charities based upon the percentage of funds designated to each charity.

To adjust the total annual amount you would like to pledge, click the **"Previous"** button to return to the payment method screen. The charities you selected will all remain saved on your list until you are ready to submit your pledge.

When you have finished allocating your donation between charities, click **"Continue."**

Step 4: Submit Your Pledge

1. You will have one final chance to review your gift and designations, and will be able to select whether your gifts remain anonymous or grant permission to share your contact information with the charity(ies) you selected.
2. Click “Finish” to submit your pledge.

Maryland Charity Campaign Frequently Asked Questions

1. WHEN DOES THE MARYLAND CHARITY CAMPAIGN (MCC) TAKE PLACE?

The 2023 MCC runs from October 2 to December 11, 2023.

2. WHY SHOULD I CONTRIBUTE THROUGH THE MCC?

The MCC is a convenient, cost-efficient method to donate through the ease of payroll or pension deduction, credit or debit card, or electronic check! The MCC also:

- **Is accountable:** All participating charities have been pre-screened by the Office of the Secretary of State to ensure that they are trustworthy and meet the requirements to participate.
- **Makes a difference:** The community can see the tangible commitment of State employees and retirees and know that their altruism is making an impact across Maryland and beyond.
- **Creates an opportunity:** State employees and retirees may contribute to charitable organizations in a uniform process through one annual campaign.
- **Gives donors the power:** Donors choose the amount and the charity or charities to receive their gifts thus providing donors the opportunity to contribute to one that touches their hearts.
- **Is tax deductible:** All funds given to charities through the MCC are tax deductible. Please check with your tax advisor for further information.
- **Is easy:** Donors can choose how to give: through payroll or pension deduction, a one-time credit or debit card contribution, or a one-time gift by electronic check.

Read more reasons why you should give [on this page](#).

3. ARE PAYROLL DEDUCTION DONATIONS TAKEN FROM PAYCHECKS PRE- OR POST-TAX DEDUCTION?

All payroll deductions are done post-tax deduction, meaning that your taxes are taken out of your paycheck *before* your donation is deducted. In other words, your donations are deducted after your taxes are deducted.

4. WHAT HAPPENS TO UNDESIGNATED CONTRIBUTIONS?

Undesignated contributions are distributed among MCC-participating charities based upon the percentage of the designated funds they receive. If a donor does not designate a charity to receive their donations, meaning a designation is not specified, those funds will be treated as undesignated. Charity write-ins are not permitted; every charity is pre-vetted.

5. WHAT HAPPENS IF A CHARITY I WANT TO GIVE TO ISN'T LISTED?

The Office of the Secretary of State vets every participating charity to determine its eligibility to participate in the MCC. Only those charities listed have been approved to participate in the MCC. Charities that are not listed may not have applied or may not be eligible to participate. You may direct your favorite charity to question and answer #23 regarding applying in the future.

6. HOW DOES A CHARITY BECOME PART OF THE MCC?

Each charity must apply annually and meet the criteria set forth in the Executive Order.

7. IF I CHANGE JOBS WITHIN THE STATE GOVERNMENT, WILL MY PAYROLL DEDUCTION CONTINUE?

Yes. If you transfer, please contact America's Charities at mcc@charities.org or call 571-458-1072.

8. HOW MUCH MONEY DID THE MCC RAISE LAST YEAR?

In 2022, more than 5,900 Maryland employees and retirees raised close to \$2 million - \$1,992,748 to be exact - through the MCC for over 900 worthy causes.

9. WHO ADMINISTERS THE MCC?

The Office of the Secretary of State administers the MCC.

10. WHO PROCESSES MY DONATIONS?

[America's Charities](#), as the Operating Agency, processes all donations.

11. WHAT IS THE MCC'S ADMINISTRATIVE FEE?

The administrative fee for the MCC's Operating Agency is a flat amount established in the contract with the State. The fee is based on a percentage of the actual amount raised in the 2022 Campaign, but cannot exceed 11.48%, of the prior year's dollars raised, in other words, it cannot exceed \$228,767.

12. DOES THE MCC SET A QUOTA ON CONTRIBUTIONS TO LARGER CHARITIES OR REDIRECT CONTRIBUTIONS TO SMALLER CHARITIES?

No. No quotas for contributions exist for charities of any size, large or small. All contributions designated to eligible charities go to those charities. Undesignated dollars are distributed among the charities based upon a percentage of the designated funds they receive.

13. HOW DOES MY CHARITY RECEIVE ITS CONTRIBUTION?

After the Campaign ends, donations are distributed to charities quarterly either by check or bank transfer.

14. WHAT TAX INFORMATION DO DONORS NEED TO KNOW?

Donors should consult their accountant or tax advisor to answer questions about tax benefits.

On the next screen, they will see a radio button that says **"2022 Gift."** Click the radio button, and the site will show his/her 2022 history.

Only payroll deduction pledges are retained in and renewable through the giving portal. Alternatively, it may be because they gave to a charity that is not in the current Campaign. 18. WHAT HAPPENS TO DONORS' GIFTS IF A CHARITY THEY PLEDGED TO CLOSES?

In the event that a charity closes, the donor will be contacted to determine if the pledge should be re-designated, canceled, or reassigned as undesignated. If the gift is reassigned as undesignated, it will be distributed proportionately to all of the charities that received contributions in the Campaign. See #4 for more details.

19. HOW DO DONORS SEARCH FOR A CHARITY?

There are three ways to find a participating charity:

- Click the [Charity Search](#) button on the MCC site: <https://mcc.maryland.gov/>. The donor can search for a charity by name, Employer Identification Number (EIN), zip code, or county.
- The donor can log into their online giving account, which can be accessed at <https://mcc.americascharities.stratuslive.com/>.

- The Giving Guide, downloadable from the MCC website [homepage](#), includes a Charity Directory with information on all of the charities that have been approved to participate in the MCC for the current Campaign year.

20. HOW DO DONORS GIVE ONLINE?

Once donors are logged into the [giving portal](#):

- They should click **“Pledge Now,”** then donors will be asked to **“Edit your profile.”** Information entered here will be provided to the charity/charities that donors choose to support, so the charity/charities can acknowledge donors’ gifts. Donors should select **“Continue”** when finished updating their contact information.
- A pop-up box will appear to select the preferred payment method.
- Click **“Add”** to choose a payment method. Donors will see a screen prompting them to set up their gift payment frequency and amount based on the payment method selected.
- Once donors finish entering their payment method preferences, they should click **“Continue”** to start the charity designation process.
- To find charities to support, click the **“Find a Charity”** button.
- A pop-up box will appear. Donors can use the search features to find a specific organization by charity name, city, state/territory, or EIN, or click through an alphabetical list.
- Donors can select as many charities to support as they would like. As they find charities to support, they should click **“Add.”** The chosen charities will appear highlighted in blue under **“Selected Charities.”**
- Click the orange **“Add to Designations”** button. The organization(s) selected will now display on the list of designations.
- Next, donors will have the opportunity to allocate the total pledge amount between the organizations added to the list of designations. To specify how much money to donate to each, donors can use the slider tool or enter the exact amount in the donation box next to the charity.
- When finished allocating the donation between charities, click **“Continue.”**
- Donors will have one final chance to review their gift and designations, and will be able to select whether the gifts remain anonymous or if they grant permission to have their contact information shared with the charity/charities they supported through this Campaign.
- Click **“Finish”** to submit the pledge.
